Hi! PARIS Hackathon 3
Completion Certificate

Innovation Award
By Rexel

Hi! PARIS, the center on Data Analytics and Artificial Intelligence for Science, Business and Society created by Institut Polytechnique de Paris and HEC Paris and joined by Inria, have conferred to

Marwan Mashra

the **Hi! PARIS Hackathon 3 Completion Certificate** upon the delivery of satisfactory deliverables evaluated by the jury as well as the **Innovation Award by Rexel** for the production of an original, unexpected yet relevant solution to the challenge presented during the hackathon.

The Hi! PARIS Hackathon is a 2-day competition, putting students from various horizons (geographical, backgrounds…) in the role of Data Scientists to carry a complete project about energy sobriety, from business and societal issue understanding, to data preparation, exploration, visualization, modeling and project deployment.

Raphaëlle Gautier, Hi! PARIS Center Executive Director

Palaiseau, France, March 21st
